Date of Birth: 5 August 1997

40K+ cumulative app installs | 4-venture portfolio | Since age 15 investing | 6 media features

EXECUTIVE PROFILE

Dubai-based founder and investor who began investing at age 15, bringing more than a decade of first-hand experience across global financial markets. Builds at the intersection of behavioral science, financial technology, and AI. Founder and CEO of PnL App, a consumer platform that turns trading behavior, emotions, and performance data into systems for discipline and risk control. Experience spans zero-to-one product strategy, venture building, trading education, capital allocation, commodities intermediation, and cross-border partnerships.

CORE EXPERTISE

Behavioral Finance | Fintech & AI Product Strategy | Zero-to-One Venture Building | Market Structure & Risk | Capital Allocation | Community-Led Growth | Cross-Border Partnerships | Commodities Intermediation

FOUNDER & OPERATING EXPERIENCE

Founder & CEO

2025 - Present

PnL App | Dubai, UAE

- Built and launched a behavior-first trading platform for iOS and Android, combining automated trade journaling, AI behavioral diagnosis, Discipline Mode, and a peer accountability community.
- Led product strategy and a four-person leadership team across engineering, growth, and brand; shipped subscription products and recurring platform releases.
- Scaled the product to 40K+ cumulative installs and expanded it into coaching and community-led performance systems for traders.

Founder, Venture Builder & Commodities Intermediary

2025 - Present

Breiterman LLC | Dubai, UAE

- Founded a venture company that builds, operates, and backs products across fintech and commodities intermediation, property technology, and digital privacy.
- Set venture direction, capital priorities, partnerships, and operating cadence across a four-venture portfolio including PnL App, Terra, Hush, and a vetted commodities-intermediation initiative.

FOUNDER & OPERATING EXPERIENCE - CONTINUED

Founder & Trading Strategy Advisor

May 2025 - Present

Trading Community & Private Trading Club | Dubai, UAE

- Advise traders on market structure, liquidity, execution, risk-reward design, capital preservation, and trader psychology.
- Built an education and accountability environment focused on repeatable execution, emotional control, and long-term market survivability.

COACHING & INVESTMENT LEADERSHIP

Investment Coach

Apr 2026 - Present

Founders Circle

- Coach founders, entrepreneurs, and executives on investment thinking, capital allocation, portfolio framing, market cycles, and risk-aware decision making.
- Translate behavioral-finance principles and market experience into practical frameworks for long-horizon capital decisions.

Investor

Ongoing

Velmore Capital & Indian Markets | UAE | India | Switzerland

- Participate in a private-equity investment structure engaging institutional networks across the ADGM and DIFC ecosystems.
- Build market access, local relationships, and long-term capital-allocation perspectives across India, the Middle East, and Switzerland.

INTERNATIONAL ENGAGEMENT

Invited Participant - Investment-Related MOU Signings

2026

Government of Maharashtra, India | WEF Davos, Switzerland

- Joined MOU signing ceremonies and investment discussions with government officials and international investment networks, contributing to conversations on investment structures, market access, and cooperation.
- Attended the World Economic Forum in Davos as part of broader engagement around India-facing investment opportunities.

SELECTED MEDIA

Quoted across six media features - five in Business Insider and one in The Guardian - covering retail trading, market volatility, private-market access, trading communities, and investor behavior (2025-2026).

EDUCATION

MSc, Neuroscience, Psychiatry & Psychology in Mental Health
